

2017 “4i” VIDEO COURSE:
International, Instructional, Intensive & Interactive

June 14th
1st Reconstructive Surgery Day

Instructors: *Roy de Vita, Stefano Pompei, Yoav Barnea, Alberto Rancati, Benjamin Sarfati.*

08:30 – 08:45 Registration
08:45 – 09:00 Opening *Roy de Vita & Stefano Pompei*

Chair & Discussant: *Yoav Barnea*

09:00 – 09:30 SSM &NSM:
How to perform a safe procedure for a succesfull BR *Roy De Vita*
Robotic NSM and IBR *Benjamin Sarfati*
09:30 – 10:00 SRM: When and how to do it for reducing the potential morbidity.
The inverted T technique *Alberto Rancati*
TRANS VERTICAL *Stefano Pompei*

10:00 – 10:10 **Q&A Session** coordinated by the Chair & Discussant

Chair & Discussant: *Alberto Rancati*

10:10 – 10:40 2 stage BR: Tricks in placing/ covering the TE and maximize the future result
Yoav Barnea - Benjamin Sarfati
10:40 – 11:00 The substitution of TE: concepts & technique *Stefano Pompei*
11:00 – 11:20 The contralateral breast: planning and surgical approach *Roy de Vita*

11:20 – 11:30 **Q&A Session** coordinated by the Chair & Discussant

11:30 – 12:00: Coffee Break

Chair & Discussant: *Benjamin Sarfati*

12:00 – 12:30 The Inframammary Fold reconstruction: various options
Alberto Rancati - Benjamin Sarfati
12:30 – 12:50 DTi with or without ADM *Yoav Barnea*
12:50 – 13:20 DTi or Two Stage with Synthetic meshes
Stefano Pompei - Roy de Vita

13:20 – 13:30 **Q&A Session** coordinated by the Chair & Discussant

13:30 – 14:30 : Lunch

Chair & Discussant: *Roy de Vita*

- 14:30 – 15:10 Oncoplasty:
How to repair the lower quadrants in BCS *Benjamin Sarfati*
How to deal with the resections on the upper quadrants *Stefano Pompei*
Oncoplastic resection-reconstruction for the central quadrants tumors *Yoav Barnea*
- 15:10 – 15:30 LD: how to plan, to dissect and where to use it *Benjamin Sarfati*
- 15:30 – 16:00 Fat grafting in BR:
Data , literature and the oncological implications *Stefano Pompei*
Technical tricks and the practical clinical use in BR *Alberto Rancati*
- 16:00 – 16:10 **Q&A Session** coordinated by the Chair & Discussant

16:10 – 16:20 : Coffee Break

Chair & Discussant: *Alberto Rancati*

- 16:20 – 16:35 Prepectoral positioning in IBR . A realistic alternative ? *Stefano Pompei*
- 16:35 – 17:05 Indications for contralateral/prophylactic mastectomy: open or restricted indications ? *Roy de Vita - Benjamin Sarfati*
- 17:05 – 17:25 Breast rec. and RT. How to deal with *Yoav Barnea*
- 17:25 – 17:45 **Q&A Session** coordinated by the Chair & Discussant

17:45 – 18:15 Final Discussion and Closing Session

June 15th
2nd Aesthetic Surgery Day

Instructors: *Roy de Vita, Stefano Pompei, Yoav Barnea, Luiz Fernando Frascino, Patrick Mallucci, Ricardo Marujo, Alberto Rancati.*

Chair & Discussant: *Stefano Pompei*

- 08:30 – 09:00 The consultation: My personal approach *Roy de Vita - Alberto Rancati*
09:00 – 09:30 Planning & Marking the primary breast augmentation: my way
Ricardo Marujo - Patrick Mallucci
09:30 – 10:00 Why I do choose that shape and that implant's surface for a subglandular plane.
Yoav Barnea - Roy de Vita
10:00 – 10:10 **Q&A Session** coordinated by the Chair & Discussant

Chair & Discussant: *Ricardo Marujo*

- 10:10 – 10:40 When and how I do choose a certain type of access:
IMF *Patrick Mallucci*
Areolar-Nipple *Luiz Fernando Frascino*
Axillary *Ricardo Marujo*

10:40 – 11:00 : Coffee Break

- 11:00 – 11:30 The Dual Plane: tips & tricks for using it *Alberto Rancati - Yoav Barnea*
11:30 – 11:45 Capsular contracture. How to prevent it *Stefano Pompei*
11:45 – 12:00 **Q&A Session** coordinated by the Chair & Discussant

Chair & Discussant: *Luiz Fernando Frascino*

- 12:00 – 12:30 How to increase your practice *Patrick Mallucci - Roy de Vita*
12:30 – 13:00 Unsatisfied patients. My way for how to deal with *Patrick Mallucci- Ricardo Marujo - Roy de Vita*
13:00 – 13:15 Give a lecture. How to prepare it *Luiz Fernando Frascino*
13:15 – 13:30 **Q&A Session** coordinated by the Chair & Discussant

13:30 – 14:30 : Lunch

Chair & Discussant: *Stefano Pompei*

- 14:30 – 15:00 Basic concepts and techniques for mastopexy augmentation
Roy de Vita - Alberto Rancati
15:00 – 15:30 Lipoaugmentation: a complement or an exclusive choice?
Patrick Mallucci - Yoav Barnea
15:30 – 15:45 Hypomastia and high degrees of ptosis: how to manage them
Luiz Fernando Frascino - Ricardo Marujo - Yoav Barnea
15:45 – 16:00 **Q&A Session** coordinated by the Chair & Discussant

16:00 – 16:20 : Coffee Break

Chair & Discussant: *Patrick Mallucci*

16:20 – 16:50 Classifications and treatment's principles for tuberous/asymmetric breast

Luiz Fernando Frascino

Implant and/or fat for the Tuberous breast? *Stefano Pompei*

16:50 – 17:10 Explanation of a previous/old implant *Roy de Vita*

17:10 – 17:40 The use of ADM or Meshes in primary or revisional breast surgery

Patrick Mallucci – Stefano Pompei

17:40 – 17:50 **Q&A Session** coordinated by the Chair & Discussant

17:50 – 18:00 *Closing remarks and take home messages from the Faculty*
