MEETING VENUE

Spazio Europa

Via Quattro Novembre, 149 - Rome

[AEXPIROMA2024.COM](https://aexpiroma2024.com)

Learning objective

Specific professional and technical contents (knowledge and competencies) of each profession, each specialization and each ultraspecialistic activity, including rare diseases and gender medicine.

Professions and disciplines

Physicians (all the medical disciplines)

Scientific Rationale

A two-day scientific meeting about different topics of Plastic and Reconstructive Surgery, in Italy, in the European Union and in other Countries worldwide where Emergenza Sorrisi NGO works.

Many International and Brazilian Plastic Surgeons of the Prof. Ivo Pitanguy's School of Plastic Surgery will attend the meeting. The School of Plastic Surgery, which celebrates this year the 50th anniversary, due to their international members and aims, perfectly reflects the values of the European Union. The School since the beginning agrees with the European Union's morals and purposes and enhances them.
